President of the United States of America  
The White House  
1600 Pennsylvania Avenue NW  
Washington, DC 20500

Dear Hon. Mr. President:

*click color links below for more information*

As certified owners of the U.S. Territory of the Commonwealth of Puerto Rico since the year 1750, with \$900+ trillion minimum accumulated international assets, currently out of our control, this is to ask an urgent meeting to discuss our interest to pay the national debt of America and Puerto Rico (\$35+ trillion) after receiving from Congress a minimum of \$300 trillion by tort, punitive and compensatory civil damages due to the violation of **48 USC 752** during 120+ consecutive years via promoting on our bicentennial lands the unlawful production and sale of millions of false and fraudulent mortgages in an interstate indictable money laundering operation under RICO Act by the three federal government branches, already notified before the USDOT and FBI since 1998.

Also, with the interest to improve our national economy, discussing increasing the minimum income of all American employees at \$100,000 per year, subsidizing the payroll of all the employers nationwide (as publicly disclosed at [clear-truth-social.com](http://clear-truth-social.com)).

After fixing criminal platforms, the approval of this proposal, via annual passages of appropriation bills, will allow us to actively participate in the boards' directorates of the national defense publicly traded companies executing ownership takeovers, GAAP management, auditing & sponsor budgets, all in compliance with the U.S. securities laws.

Waiting for your soon response,  
Respectfully, Alberto Medina
